

AGENDA ITEM SUBMISSION FORM

Proposal

I move that Rules and Regulations, paragraph 4.G be amended by adding subpara 3:

“Kids born from a doe co-owned by multiple persons or families may be registered with the herdname of any of the co-owners, provided however, that all litter mates must be registered with the same herdname and corresponding tattoo prefix.”

Reasons

It has always been NPGA's practice in the past, and known by members to be the practice, but the language was not reflected in the Rules and Regulations.

Advantages

Provides for continuity in the registration process.

Disadvantages

None.

Financial Implications

None.
