

Old Business Item C

Change color choices for registration to 7 (solid black, black, black agouti, grey agouti, brown agouti, grey/brown agouti, and caramel); approval of new color chart (Wortham)

At the June 2009 Board meeting, the Central Office Report pointed out problems and confusion in the registration process for the membership regarding the numerous color descriptions and terminology. The Board had the Business Manager and Chairpersons David Wortham and J.T. Struthers work out simplified color designations during the meeting and report back. They recommended reducing the number of color choices to 7 (above listed).

The meeting minutes state: "Chairpersons Struthers and Wortham and Business Manager Lowell made the recommendation to reduce the number of color choices to seven as follows: solid black, black, black agouti, grey agouti, brown agouti, grey/brown agouti, and caramel. This will definitely impact the color descriptions for registrations and the color chart. The Breed Standard Committee will make recommendations and present them at the January meeting."
