

ELECTION COORDINATOR REPORT

December 8, 2009

This is my first year to as Election Coordinator. The nominations went well and I guess the election did too.

I have chosen to not form a committee to carry out coordinator duties.

There is no physical inventory for this position.

There is no specific or notable budget requested for this position. I did send one registered letter to a nominee, but do not have the receipt for the letter, so I am not requesting reimbursement. I do not anticipate any funds needed except maybe for postage, which I estimate would be covered by twenty dollars at most.

Respectfully submitted.

Gail Parker
