

Youth Committee Report December 2009  
Eleanor Zarski, Chairperson of Youth Committee

I have enjoyed my time as Youth Chairperson. There were more youth scholarship participants in 2009 than any year I have been on the committee. Our contests were a great success, and the convention 2010 promises to have many youth related activities. I look forward to seeing more NPGA youth continuing their memberships as adults.

There are still 2 vacancies on the committee and 2 regional reps that rotate off beginning 2010. Thank you for letting me represent the youth for NPGA.

Sincerely,

Eleanor Zarski
