

AGENDA ITEM SUBMISSION FORM

Proposal

Clarify Show Rules C.3. which now reads:

Exhibitors may enter and show goats not registered to them with the registered owner's verbal or written consent.

Add:

Verbal consent is between the owner and exhibitor and is proven by the exhibitor having the goat and the original registration certificate.

Reasons

Clarification is needed for proving and allowing verbal consent. The show secretary and the judge need guidelines for what makes an acceptable verbal consent.
