RE: HER Chair Report

Chair: Jay Griffiths DVM

Committee Members: Kay Orlando, DVM

Nic Evert, PhD

- Reviewed and approved multiple articles for Memo
- Replied to four phone calls from NPGA members regarding sick goats and herd health questions as well as dystocia. Recommended that these folks seek local veterinary care.
- Replied to 5 email questions from NPGA members on herd health management issues.
- Discussed managing Johnne's disease and CAE with several NPGA members.
- Consulted with several NPGA members about Johnne's, CAE and CL testing protocols and how to submit samples to labs for the most reliable test results.
