

January, 2019 Publication Committee Report

In addition to proofing MEMO articles, the Publication Committee received one request for the use of the NPGA logo.

In August, 2018, Scott Colwell, President of the Rocky Mountain Pygmy Goat Club, requested the use of the NPGA logo on the 2019 National Convention program. Permission was granted as long as no alterations are made to the logo and the program is reviewed by the committee prior to printing.

This committee is currently understaffed. An effort will be made within the first month of 2019 to acquire additional volunteers to serve.

Respectfully submitted,

Lisa Salmi
Chair
