RE: HER Chair Report

Chair: Jay Griffiths DVM

Committee Members: Open

- Reviewed and approved multiple articles for Memo
- Replied to Five phone calls from a NPGA members regarding a sick goats and herd health questions on subject such as nutrition, and breeding questions. For sick patients, I always recommended that these folks seek local veterinary care.
- Replied to 6 e mail questions from NPGA members on herd health management issues.
- Discussed managing Johne's Disease and CAE with several NPGA members.
- Consulted with several NPGA members about Jonhe's, CAE and CL testing protocols and how to submit samples to labs for the most reliable test results.
