

AFFILIATED CLUBS REPORT

Affiliated Clubs Update for June 2009 Meeting

- * I have updated the roster that is published for memo.
- * I had Aaron fix the link on the web page to make the Youth Affiliate Clubs accessible.
- * I emailed all the clubs the NPGA clubs logo & told them they can use it for their club websites.
- * I have asked the clubs for input regarding club activities that promote our goats, any fundraising ideas, clinics etc. I turned it into a contest with a winner every time a new Memo comes out. Our first club winner will be announced in the next coming Memo.
