

## **HEALTH, EDUCATION & RESEARCH COMMITTEE CHAIR VACANCY**

### **Job Description**

1. Develops educational materials for the membership related to Pygmy goat health and husbandry, and publishes articles on these topics in MEMO. (Other media may be utilized if authorized by the Board and accommodated by the budget.)
2. Acts as a consultant to the Board and other Committees in matters regarding Pygmy goat health and longevity, assisting them in developing educational materials and notifying them of specific concerns or emergency issues that may require immediate attention.
3. Collects data in order to set research priorities to advance knowledge of the Pygmy goat.
4. Recommends the institution of formal and informal projects and surveys as a need becomes apparent, with the results being made available to the Board and membership.
5. Reviews, or has qualified professional(s) review all materials relevant to health and husbandry developed by NPGA, or outside sources for use by NPGA.
6. Maintains a regular communication with the Breed Standard and Judges Training Committee.
7. Shall be responsible for the creation and implementation of guidelines containing the necessary policies and procedures for use of AI within NPGA.
8. Promotes the increase of knowledge on the use of AI for interested breeders.

### **How to Apply**

A resumé, including a statement of qualifications, is to be sent to Vice President Lynda Gredin, and must be received no later than June 15, 2011. Her address, phone, and e-mail address can be found in the front of the *Memo*. She will provide a copy of the general job description for NPGA Committee Chairs upon request.
