

# RULES FOR OFFICIAL SHOWS

(Updated June 2022)

## A. SHOW SANCTION AND FEES

1. A sanction application shall be sent to the NPGA Show Coordinator. (09-14)
2. Show chair/secretary must be an NPGA member and give membership number on application unless application is made by local, county or state fair official. Sanction application shall include signature of show chair/secretary and a statement that sanctioned shows must adhere to NPGA rules. (08-16)
3. The sanction fee is seventy-five dollars (\$75.00) each when the application for sanction is postmarked to NPGA at least 60 days prior to the show, (fifty dollars (\$50.00) each 4-H or restricted), one hundred and five dollars (\$105.00) each when postmarked between 59 and 31 days (sixty five (\$65.00) each 4-H or restricted), and one hundred thirty dollars (\$130.00) each when postmarked 30 days or less prior to the show. The fee covers NPGA rosettes for Champions. (03-06, 06-09, 07-09, 08-03, 14-20, 20-21)
4. All NPGA sanctioned shows must be judged by a person licensed by NPGA.
5. Bucks and does shall not compete against each other, but shall be considered as separate shows with a separate sanction fee required for each show.
6. If there is a 4H/Youth/Restricted Show on the same day/weekend/event and judged by the same judge at the same location as an open show, then the animals from the restricted show may show in the open show. (16-11).
7. No other show within a 1,000-mile radius may be sanctioned the same weekend as the Convention. Shows within the same state as Convention should be urged to change show dates if they are scheduled on the preceding or following weekend. The ruling shall stand as long as the Convention date is not scheduled arbitrarily on a weekend of an established show date. (84-11)
8. Show Cancellations (11-3)
  - a. In the event that a show is cancelled after an NPGA sanction has been approved by the NPGA Show Coordinator and ribbons have been sent, but before the start of the show, the local show chair must return the ribbons to the NPGA Show Coordinator in order to receive a credit (no cash refund) for the sanction fees paid. This credit may be used in conjunction with a subsequent Application for NPGA Sanction for a new or rescheduled show. (11-3)
  - b. In the event that a show is cancelled after an NPGA sanction has been approved by the NPGA Show Coordinator but before ribbons have been sent, the local show chair must notify the NPGA Show Coordinator of the cancellation in order to receive a credit (no cash refund) for the sanction fees paid. This credit may be used in conjunction with a subsequent Application for NPGA Sanction for a new or rescheduled show. (11-3)
  - c. In no case may a local show official transfer an approved sanction to another event not reflected on the approved sanction application (different dates or location). Additionally, in no case will a credit for sanction fees be given for a cancelled show if the notification to the NPGA Show Coordinator occurs on or after the start of the scheduled show. (11-3)

## B. SHOW OFFICIALS & JUDGES

1. **Show Chairperson/Secretary Responsibilities:**
  - a. To have a copy of the NPGA Show Rules available at all times during the show and follow said rules.
  - b. Prior to goat being shown, check the following information on the original NPGA registration papers (85-17, 00-04, 00-12)
    - (1) Each goat has been entered in the correct age class and division.
    - (2) Is entered by its full correct name.
    - (3) The tattoo and/or microchip and registration number match those on the entry form.
    - (4) Confirm ownership on registration or current transfer of ownership. If transfer is over 90 days old refer to C.2.
    - (5) Confirm proof of PGCH status as defined in Rules for Official Shows, paragraph H.5 for animals entered in the Master Champion Challenge class.
  - c. To have and assure that Report of Award is correctly filled out.
2. **Judge Responsibilities:**
  - a. No person shall judge any goat in which he/she has an ownership or part ownership or which is owned by a member of his/her immediate family or household. Judges should also be sure that their immediate family members or household members do not show goats for other exhibitors or even enter the ring with a wether, doe, or buck. (09-09, 20-5)
  - b. Judge according to the NPGA breed standard, scorecard and faulting sheet.
  - c. Check the birth date on the registration certificate with the schedule of classes to see that the Grand and Reserve Grand Champion goats were shown in the correct class. Check Grand and Reserve Grand Champion to see information on Report of Award matches that on registration papers. (86-03)
  - d. See that the tattoos and/or microchips are read on the Grand and Reserve Grand Champion. The judge will be the sole authority on what the tattoos or microchips numbers are, but may have someone else actually do the job. (84-22, 04-17)

- e. The judge will read tattoos and/or microchip numbers of champions before the goats leave the ring; however, the judge may ask the champions to be moved to an area that is satisfactory for reading tattoos. (83-27, 84-22, 04-17)
- f. The judge will document and sign the Grand Champion win on the back of the winner's certificate of registry. The judge will also note if the win is at a Restricted Show. (96-34, 04-20, 08-03)
- g. Wear clothes that are neat, clean, and appropriate for judging. This is especially important at 4-H shows to set a good example for exhibitors and at fairs in order to compare well with the judges and exhibitors of other livestock breeds. No blue jeans, shorts, or open toed/heeled shoes. Shirts shall be long enough to always overlap pants while standing, bending, or kneeling. Judges shall not wear apparel that promotes individual farms while judging. Deviations from this are acceptable if agreed between the local show chair and judge, in writing, in advance. (09-29)
- h. The judge shall not judge a show if he/she is first showing at that show event. (13-31) An exception can be made by the show secretary due to an emergency situation, an alteration of travel plans, or unforeseen circumstances. (21-12)
- i. A judge must not be a judge of a show that he/she is also chairing. (13-31)

3. **Exhibitor Responsibilities:**

- a. It is the ultimate responsibility of the exhibitor that the exhibitor's goat(s) is/are entered and shown in the correct age class and division. (02-18)
- b. Exhibitors shall not show any doe or buck in an NPGA-sanctioned show with the herdname(s) of the judge who is judging that show. This does not apply to wethers or unregistered classes or sanctioned 4-H/Youth shows. Effective January 1, 2003. (02-19, 04-07)
- c. Exhibitor shall not show any doe or buck whose registered color is not one of the NPGA's recognized color/color patterns. (Any non-conforming color or color pattern is a disqualifying fault in does and bucks.) (16-06)

**C. REGULATIONS FOR DOES AND BUCKS**

- 1. An original NPGA registration certificate is required for each goat entered, and the document must be presented to the show secretary before the goat is shown. Only NPGA or CGA (Canadian Goat Society) registered goats may be shown in sanctioned classes. (00-12, 02-09)
- 2. Proof of ownership shall be the name on the registration certificate. Otherwise, the owner is determined by a transfer of ownership when it is dated within 90 days of the show and presented with the original registration certificate. (82-21)
- 3. Exhibitors may enter and show goats not registered to them with the registered owner's verbal or written consent. Verbal consent between the owner and exhibitor is assumed by the exhibitor having the goat and the original registration certificate. If the signature of the owner is required, the exhibitor may sign for the owner. Win will be recorded in the name of the owner in all cases. (12-9)
- 4. Goats 6 months of age or older must have either a legible tattoo or an embedded microchip recorded by NPGA prior to being shown. In the case of a microchip, evidence of the recording of that microchip will be the Central Office's preprinted number on the registration certificate. (01-20, 11-8)
- 5. A goat may be judged in only one age class. Proof of date of birth shall be the birth date on the registration certificate. (86-13)
- 6. The base date for computing the age of the goat shall be the day the goat is to be judged. (86-18, 11-25)
- 7. Health certificates may be required if specified on the entry form. Show officials may deny entry if any goat does not appear in good health.
- 8. Any goat, which is disqualified in its class, must not be counted in the total number of goats shown. (80-12)
- 9. NPGA sanctioned show has no age restrictions. (17-08)
- 10. The following goats are ineligible to be shown in sanctioned shows. Intentionally doing so is a violation of the NPGA Code of Ethics (01-20, 08-03):
  - a. If a Junior records the win, it cannot be shown again until the goat is eligible to be shown in the senior division. A buck that records a second win prior to its second birthday cannot be shown again until it reaches two years of age. (87-23, 08-03)
  - b. Any doe having received two wins, must give birth to at least one healthy, normal kid in order to be eligible to be shown again in the senior division. Proof of this shall be the existence of an NPGA registered or recorded offspring. (96-11, 08-03)
  - c. Any buck having received three wins, must have sired at least one healthy, normal kid in order to be eligible to be shown again in the senior division. Proof of this shall be the existence of an NPGA registered or recorded offspring. (98-08, 08-03)
